

Annex 5 to the Call Conditions

List of the Previous Projects

Please note that only those consortia¹ **projects which meet all 4 criteria** listed below will be taken into consideration for the assessment of the coordinator's operational capacity.

A project eligible to prove the operational capacity of the coordinator:

- 1) was coordinated or managed by the coordinator² (as a legal entity) OR the Lead project manager (who will manage the project for which grant is requested), directly managed the implementation of the project;
- 2) involved minimum 2 other beneficiaries³ (coordinator and 2 beneficiaries);
- 3) had a total budget of at least 200 000 EUR;
- 4) was implemented and finished within the last 5 years (2020-2024)

Accordingly, in the table below, please provide information only about those projects which meet the aforementioned 4 criteria.
